CHAPTER 2 UNIVERSAL PROVISIONS

SECTION 1 - GENERAL

2.1.1. SCOPE.

This Chapter prescribes Rules applicable to general Exchange activities.

2.1.2. CONSENT TO JURISDICTION.

Any Person who engages in activity subject to MGEX Rules or any Person for whose benefit such activity is made, whether directly or indirectly, expressly consents to the jurisdiction of the Exchange and agrees to be bound by and comply with MGEX Rules in relation to such activity.

2.1.3. CONSENT TO INVESTIGATORY AND DISCIPLINARY PROCESSES.

Any Person subject to MGEX Rules expressly consents to cooperate and participate in investigatory and disciplinary processes conducted by the Exchange.

2.1.4. MGEX RULES, INTERPRETATION, AND ENFORCEMENT AUTHORITY.

The Exchange has adopted the MGEX Rules, and from time to time adopts amendments to such Rules (See Bylaw 204.00. and 204.01.), to promote a free and open market on the Exchange, to maintain appropriate business conduct, and to provide protection to the public. The Exchange, in its sole discretion, will interpret and enforce the MGEX Rules not inconsistent with applicable provisions of the Commodity Exchange Act, as amended, and Commodity Futures Trading Commission ("CFTC") regulations promulgated thereunder.

2.1.5. COOPERATION WITH INVESTIGATORY AND DISCIPLINARY PROCESSES.

A Market Participant shall promptly respond, provide documentation, and cooperate in all inquiries by the Exchange. Failure to do so will subject the Market Participant to disciplinary processes, which may include immediate termination of usage and access to the Electronic Trading System. Disciplinary processes may be initiated by the Exchange pursuant to the MGEX Bylaws and Rules and may include public or private actions, summary fines, fines, suspensions, expulsions or other restrictions as determined to be necessary by the Exchange.

2.1.6. DUTY TO SUPERVISE.

A Person subject to MGEX Bylaws or Rules has a duty to supervise any agent, employee, or contractor under their direct or indirect control (for purposes of this Rule, an "agent"), who engages in this market or performs any Exchange-related activity. Any act, omission, or failure of any agent may be deemed to be an act, omission, or failure of the Person.

Unless prohibited by MGEX Bylaw or Rule, a Person may delegate the act of performance, but not the responsibility, of any MGEX Bylaw or Rule.

When assessing whether a Person has violated MGEX Rule 2.1.6., the Exchange may consider the Person's lack of sufficient internal controls as an exacerbating factor.

MGEX Rules do not prohibit the Exchange from bringing disciplinary action against both the Person and the agent based on the same event or set of operative facts. If an agent is found to be in violation of any MGEX Bylaw or Rule, the Exchange may, in its discretion, take disciplinary action against the agent, the Person, or both.

2.1.7. HOLIDAYS.

The following days are declared to be holidays, during which the Exchange will not be open for business: New Year's Day, Dr. Martin Luther King, Jr. Day, Presidents' Day, Good Friday, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day. When a holiday falls on a Saturday it will be observed the preceding Friday. When a holiday falls on a Sunday it will be observed the following Monday. The Exchange may, in its discretion, declare additional holidays and details of observance.

2.1.8. EMERGENCIES.

The Exchange has the power to immediately delay, suspend, or close trading upon recognizing a problem. A problem includes, but is not limited to the following:

- A. fire or other casualty,
- B. bomb threat,
- C. power failure,
- D. communications breakdown,
- E. computer malfunction, or
- F. other - technical difficulties.

If such an event occurs, the Exchange will provide reasonable notice to the public.

2.1.9. INCLEMENT WEATHER OR TRANSPORTATION BREAKDOWN.

The Exchange has the power to immediately delay, suspend, or close trading upon recognizing the functions of Exchange are, or are threatened to be, severely and adversely affected by inclement weather or transportation breakdown. In such case, the Exchange will provide reasonable notice to the public.

2.1.10. MEMBER OR MARKET PARTICIPANT EMERGENCIES.

If the Exchange, in its sole discretion, determines that there is a substantial question as to whether a financial or other type of emergency exists or may exist with respect to any Member or Market Participant, the Exchange may take any action necessary to protect the best interests of the Exchange and the marketplace or take any other actions allowed by law. The Exchange will have no liability regarding its use of this discretionary power.

2.1.11. MARKET MAKER PROGRAM.

The Exchange may establish a Market Maker Program for any contract. The Exchange may end the Market Maker Program at any time. The Exchange will determine the effective period of the Market Maker Program and establish the requirements of the Market Maker Program, which the Exchange may change at any time. Any individual or entity that wishes to participate in the Market

Maker Program must submit an application to the Exchange. The Exchange has sole discretion to approve or deny an application based on, but not limited to, the following factors: the applicant's business reputation; financial resources; and trading activity in relevant futures, options, or related cash markets. Any individual or entity accepted into the Market Maker Program must maintain compliance with the Market Maker Program's requirements. Further, any individual or entity who is participating in the Market Maker Program must comply with the Commodity Exchange Act (and Regulations thereunder as now in effect or hereafter amended) and Exchange Rules. The Exchange may, in its sole discretion, remove any individual or entity from the Market Maker Program.

2.1.12. PROMOTIONAL MATERIAL.

Promotional material and similar information issued by Market Participants must comply with the requirements of National Futures Association Rule 2-29, as amended. A Market Participant must not state or give the appearance that the Market Participant represents the Exchange.

2.1.13. EXCHANGE OFFICER AMENDMENTS.

The Exchange Officers, by majority vote, shall have the authority to amend any Rule without a vote of the Ownership or the Board of Directors when such amendment does not alter the intent of the Rule or is otherwise non-substantive. Examples of amendments include, but are not limited to, the modification or elimination of letters, numbers, words, phrases, sentences, Rule numbers, Rule titles, chapter numbers, chapter titles, and cross references (internal and to applicable law) necessary to maintain accurate and current Rules, or non-substantive changes necessary to comply with any non-substantive change in law, statute or governing legal authority.

SECTION 2 – FINANCIAL REQUIREMENTS

2.2.1. FINANCIAL REQUIREMENTS AUTHORITY.

The Exchange may from time to time adopt financial and reporting requirements. These requirements may be more stringent than those provided in the Commodity Exchange Act, as amended, Commodity Futures Trading Commission regulations, and other applicable authority. Such requirements may be posted through reasonable means by the Exchange and need not be codified in MGEX Rules.

2.2.2. FINANCIAL AND REPORTING REQUIREMENTS.

Financial and reporting requirements for Persons may be established by the Exchange, provided that requirements for FCMs are established at levels no lower than those required by the Commodity Exchange Act, as amended, and Commodity Futures Trading Commission regulations.

2.2.3. MINIMUM FINANCIAL REQUIREMENTS FOR HARD RED SPRING WHEAT REGULARITY.

A Person who operates an elevator or warehouse, or who is a merchandiser, that is Regular for delivery of Hard Red Spring Wheat must maintain certain minimum financial requirements set by the Exchange. The Exchange has established the following working capital and net worth financial requirements for Regularity:

Contract	Working Capital	Net Worth
Hard Red Spring Wheat	\$2,000,000.00	The greater of \$5,000,000.00 or the equivalent of \$1 per bushel of approved storage capacity

Additionally, any combination of the elevator, merchandiser, warehouse, parent company, employee, partner, or officer of such Person must be a Record Owner of a minimum of two (2) Memberships.

The Exchange may consider and approve, at its discretion, a Person for Regularity that is unable to meet the applicable minimum financial requirements above. As financial conditions warrant, the Exchange may, at any time, require a Person that is approved or applying for Regularity to provide irrevocable letters of credit, guarantees, pledges of memberships, and/or other forms of security that the Exchange determines to be acceptable. Failure to meet any minimum financial requirements or comply with the Exchange's request for additional financial security will be deemed a failure to meet the minimum financial standing requirement.

If a Person qualifies for more than one type of status (Clearing Member, FCM, Regular for delivery or holding cash trading privileges), then the Person must meet the highest capital and net worth requirements, and the earliest reporting requirements of their various registration status. Additionally, the Person must own the highest number of MGEX memberships required of their various registration status.

Floor Clerks may be admitted to the Exchange Room under the following terms and conditions:

- A. The Exchange shall issue Floor Clerk permits upon application signed by a Member who is the sponsor of a Floor Clerk. Such permits will be good until notification is given to the Exchange. The fee for the issuance thereof shall be determined by the Exchange.
- B. Floor Clerks will be admitted to the Exchange Room for the limited purpose of receiving orders from agents of their sponsor or Members representing their sponsor, and reporting to their sponsor or Members representing their sponsor.
- C. Floor Clerks may perform other routine clerical and telephone duties at their assigned position in the Exchange Room. After delivery of messages from their sponsor or Members representing their sponsor they are to return to their assigned position in the Exchange Room or leave the Exchange Room.
- D. Except as provided above, Floor Clerks shall not transact any business whatsoever in the Exchange Room with, or for, any person other than their principals and in no case shall they accept orders, report executions or have any other business duties whatsoever with nonmembers in the Exchange Room.
- E. No Member shall employ more than two (2) Floor Clerks for every five (5) Memberships or fraction thereof.
- F. Floor Clerk permits shall not be transferable. The Exchange must be notified if a new permit is issued. If the registered Floor Clerk is unable to perform his duties for reasons of illness, absence from the city, or other cause deemed sufficient and proper by the Exchange, a substitute Floor Clerk may be approved by the Exchange upon proper application and a temporary permit will be issued.
- H. The license conferred by a Floor Clerk permit may be revoked at any time by the Exchange if the holder violates any of the provisions of this Regulation or is guilty of any other improper conduct in the Exchange Room.
- I. Floor Clerks may communicate by telephone with their sponsors, Members, and nonmembers so long as they do not solicit or do business for their own account.
- J. Floor Clerks may not solicit business for their sponsors, Members, nonmembers or for their own account from the Exchange Room.

2002.00. EXCHANGE ROOM.

The Exchange, at its discretion, shall have the duties and powers to:

- A. Change the physical appearance and use of the Exchange Room.
- B. Establish security measures and procedures for admittance of Members and nonmembers to the Exchange Room.
- C. Ascertain the equipment needs of the Exchange Room.

- C. Members may accept orders from visitors in the Exchange Room. However, no order may be given by a visitor directly to a Broker in the Pit.
- D. No visitor shall have access to the Exchange Room for more than three (3) days per month without the express approval of the Exchange.

2004.00. DECORUM AND DRESS WHILE IN THE EXCHANGE ROOM.

All Members and Floor Clerks must dress and conduct themselves within the confines of acceptable business decorum while in the Exchange Room. The following are enumerated for the guidance of Members and Floor Clerks:

- D. Vulgar or abusive language is prohibited.
- E. Any other conduct or activity determined to be detrimental to a professional and safe business environment is prohibited.

2004.01. EXCHANGE ROOM ENFORCEMENT.

The Exchange may issue a violation ticket to a Member or Floor Clerk following an infraction/violation of any MGEX Rule or Regulation occurring in the Exchange Room. All violation tickets must be submitted to the Secretary of the Corporation promptly upon issuance. The

Secretary of the Corporation shall thereafter immediately forward the completed violation ticket to the Department of Audits and Investigations. The Department of Audits and Investigations will give written notification to the violator of the infraction/violation and action taken, if any.

The notice shall inform the Member or Floor Clerk of the right to request a hearing before the Hearing Committee and the consequences of a failure to pay the fine if no hearing is requested. If a hearing is requested, the decision of the Hearing Committee shall be final.

Failure to request a hearing shall be deemed a consent to the action taken. Unless a hearing is requested within ten (10) calendar days, failure to pay a fine within thirty (30) days after the penalty is imposed shall automatically double the amount of the fine. If the increased fine is not paid within sixty (60) days after the original fine was imposed, the Disciplinary Committee may, without hearing, revoke the badge or suspend the floor privileges of a Member or Floor Clerk for whose conduct the original fine was imposed.

Members, Clearing Members, and entities having cash trading privileges will be responsible for fines given to their employee(s). Following is a schedule of penalties the Board of Directors has authorized the Department of Audits and Investigations or the Disciplinary Committee to issue:

First Violation:	Letter of Reprimand
Second Violation:	\$25.00 Fine
Third Violation:	\$100.00 Fine
Fourth Violation:	\$300.00 Fine
Fifth Violation:	\$500.00 Fine and/or One (1) Day Suspension

Each violation ticket written shall constitute a single violation and the number of violations accumulated will determine the action taken. If a Member or Floor Clerk is free of any violations for a period of two (2) years, the fine schedule will revert back to a first violation.

Any violation/infraction may be forwarded by the Department of Audits and Investigations to the Disciplinary Committee for further review or action. Additionally, nothing in this Regulation shall prohibit further action from being taken against a Member or Floor Clerk for a violation of any other Rule or Regulation.

2004.02. PENALTIES FOR BOISTEROUS OR DISORDERLY CONDUCT AND/OR OUTBURST OF VULGAR AND ABUSIVE LANGUAGE IN THE EXCHANGE ROOM.

Boisterous or disorderly conduct and/or outburst of vulgar and abusive language in the Exchange Room is strictly prohibited. Any Member, Floor Clerk, or Exchange staff can file a complaint, in writing, with the Exchange.

The Department of Audits and Investigations shall open an investigation on the complaint. After an investigation, the Department of Audits and Investigations may forward the investigation to the Disciplinary Committee. After reviewing the investigation report, the Disciplinary Committee may issue a Notice of Charges to the Member or Floor Clerk, including the right to request a hearing before the Hearing Committee and the consequences of failure to pay any fine if no hearing is requested. The first infraction of this Regulation involving physical contact or abusive or derogatory language is punishable by a monetary fine up to five hundred dollars (\$500.00). If a second infraction occurs within two (2) years of the first infraction, the penalty may include suspension up to a period of two (2) weeks and/or a monetary fine set by the Disciplinary Committee. Members will be responsible for fines given to their employee(s).

2005.00. SUBSTITUTES.

A Member's privilege of entering and transacting business in the Exchange Room during the Hours of Cash Trading may be transferred temporarily to a substitute by the issuance to such substitute of a substitute ticket as hereinafter provided, and not otherwise. Such privilege may be so transferred:

- A. If, and during, the time that such Member is temporarily unable to transact business in the Exchange Room because of illness, absence from the city or other cause deemed sufficient and proper by the Exchange;
- B. If, and during, the time that a request for transfer of a Membership to such substitute has been duly filed and has not been acted upon by the Board of Directors.

It is not the intent of this Regulation to enable any person by means of a substitute ticket to obtain the privilege of entering and transacting business in the Exchange Room during the Hours of Cash Trading for a considerable period of time unless he is substituting for various Members who are customarily active in the Exchange Room.

A substitute ticket shall not be issued to any person who has been expelled from this Exchange or who is under suspension, or to enable any person to act as a substitute for a Member who is under suspension or against whose Membership the assessments have been waived under the provisions of [Rule 221.02](#).

If a Member for whom a substitute is acting shall appear in the Exchange Room during the Hours of Cash Trading, or if such Member, except in cases of substitution under the provisions of Section B. of this Regulation, or in special circumstances, shall appear with regularity in MGEX buildings, such appearance shall be cause for cancellation of the substitute ticket.

In case of any dispute over the propriety of issuing, renewing or cancelling a substitute ticket, such dispute shall be settled by the Exchange.

2005.01. SUBSTITUTE TICKETS: ISSUANCE OF.

Substitute tickets shall be issued or renewed by the Exchange upon application. Such tickets or renewals shall be for not more than thirty (30) days and may be cancelled at any time.

2005.02. SUBSTITUTE TICKETS: APPLICATION FOR.

Applications for substitute tickets shall show the Record Owner and Record Holder for whom substitution is requested and shall be signed by the substitute and by the Record Owner and Record Holder for whom the substitute is authorized to make trades. The substitute and such Record Owner and Record Holder shall, respectively, be subject to the same restrictions, obligations and liabilities including penalties for the violation of the MGEX Rules and Regulations with respect to any and all trades, transactions or other acts of the substitute while such ticket is outstanding.

2006.00. CASH TRADING PRIVILEGES: GRANTING OF AND APPLICATION FOR.

In order to execute cash contracts in the Exchange Room, a Member or entity must be granted cash trading privileges by the Exchange.

The Exchange may grant cash trading privileges to:

- A. A Member who is the Owner of a Membership standing in his name; or

An entity designated by a Member in an Application for Cash Trading Privileges meeting all the terms and conditions set forth in such application, provided, however, that if such entity has been legally created and is validly existing under the laws of any governmental authority, such entity must be legally qualified to do business in Minnesota.

(See [Regulations 2030.00.](#), [2085.00.](#), [2086.00.](#), [2087.00.](#), [2088.00.](#), and [2089.00.](#)).

In addition to filing the statements required above, every Member or entity having cash trading privileges shall also comply with the following requirements at any time and from time to time, as and when the Exchange shall so order:

2013.03. POSITION LIMITS FOR HARD RED SPRING WHEAT FUTURES.

- A. **Applicability.** [Regulations 2013.03.](#), [2013.04.](#), [2013.05.](#), and [2013.06.](#) will govern position limits for HRSW futures, notwithstanding any other provisions of the MGEX Rules and Regulations that relate to position limits for HRSW options.

- B. **Limits.** Position limits for HRSW futures will be determined by the Exchange, but will not be greater than the position limits for HRSW pursuant to Part 150 of the Regulations of the CFTC. The position limits will not apply to *bona fide* hedging transactions or positions, as determined by the Exchange or CFTC Regulations.

No Market Participant will own or control in excess of six hundred (600) HRSW futures net long or short in the settlement month; twelve thousand (12,000) HRSW futures net long or short in any single month; or twelve thousand (12,000) HRSW futures net long or short in all contract months combined.

- C. **Compliance.** No Market Participant may exceed the limits at any time during the trade day. Other than *bona fide* hedging positions, positions in excess of the limits will be presumed to be a violation. The Exchange may direct any Market Participant owning, controlling or carrying a position for another Market Participant in excess of the limits set forth in this Regulation to liquidate or reduce its position to comply with this Regulation. For any futures position that exceeds position limits for passive reasons such as a market move or exercise assignment, the Market Participant will be allowed one (1) business day following the date of the transaction that leads to excess positions to liquidate the excess position without being considered in violation of the limits.

- D. **Enforcement.** The Market Participant owning, controlling or carrying a position (as well as the account holder, FCM, or Clearing Member as the case may be) shall maintain adequate books and records that disclose the identity of and positions held

by any Market Participant. Such books and records shall be made available to the Exchange upon request. The Market Participant owning, controlling or carrying a position (as well as the account holder, FCM and Clearing Member) may be held accountable for any violation of the limits. The Department of Audits and Investigations may take enforcement action against any or all of the parties, whether or not each had actual knowledge of the position or a violation.

2013.04. EXEMPTION FROM POSITION LIMITS FOR HARD RED SPRING WHEAT FUTURES.

To be eligible for an exemption from position limits for HRSW futures under this Regulation, an applicant must submit a written request to the Department of Audits and Investigations. Such request must include the following:

- A. a description of the size and nature of the proposed transactions;
- B. information which demonstrates that the proposed transactions are *bona fide* hedging transactions;
- C. a statement indicating whether the Market Participant on whose behalf the request is made (i) maintains positions in the futures contract for which the exemption is sought with any other account holder or owner, and/or (ii) has made a previous or contemporaneous request pursuant to the Regulation through another applicant, and if so, the relationship of the information set forth in such requests;
- D. a statement that the proposed transactions will be *bona fide* hedges;
- E. a statement that the applicant will immediately supply the Exchange with any material changes to the information submitted pursuant hereto;
- F. such further information as the Exchange may request, including the daily, weekly or periodic filing of any documents or reports.

The Department of Audits and Investigations shall notify the applicant whether the exemption has been granted, and any limitations placed thereon, within five (5) business days of receiving a written request for exemption. An exemption will remain in effect until (i) the applicant or Market Participant on whose behalf the request is made requests a withdrawal; or (ii) the Exchange revokes, modifies, or places further limitations thereon. At any time, the Exchange may limit *bona fide* hedging positions and deny or limit any request for exemption from position limits which the Exchange determines in its sole discretion are either not in accord with sound commercial practices or exceed the established or permitted amount which may liquidated in an orderly fashion.

The Exchange will use the CFTC definition of a *bona fide* hedging position as described in CFTC Part 151 (specifically 151.5, or elsewhere as applicable) as a guide when applied to the HRSW futures contract, but will not be limited by it.

2013.05. AGGREGATION OF POSITIONS FOR HARD RED SPRING WHEAT FUTURES.

In determining whether any Market Participant has exceeded the position limits for HRSW futures, all positions in accounts for which such Market Participant by power of attorney or otherwise directly or indirectly holds positions or controls trading will be included with the positions held by such Market Participant. Such limits upon positions will apply to positions held by two (2) or more Market Participants acting pursuant to an expressed or implied agreement or understanding, the same as if

the positions were held by a single Market Participant. The Exchange will follow the CFTC definition of aggregation and the procedures for aggregating positions as described in CFTC Part 150 or elsewhere as applicable.

2013.06. REPORTABLE POSITIONS FOR HARD RED SPRING WHEAT FUTURES.

The reportable position level will be a position of one hundred and fifty (150) or more HRSW futures on this Exchange, long or short, in any one (1) month. All such positions must be reported in a manner and form as designated by the CFTC or the Exchange.

2014.00. SETTLEMENT PRICES.

Pursuant to the provisions of Rule 210.01., the Board of Directors has adopted this Regulation.

A. MGEXpress® Contracts.

Promptly after the close of the trading session in each Futures Contract, the Exchange shall ensure that settlement prices are calculated for each contract month as follows. The settlement price shall be price consistent with the minimum fluctuations of the contract.

1. The settlement price for the lead month, as defined below, shall be determined by the volume-weighted average of outright trades and applicable bids and offers made in the closing period on MGEXpress®. If there is no volume-weighted average of the outright, then the last trade price is compared to the current bid/ask. If the last trade price is outside of the bid/ask spread, then the contract settles to the nearest bid/ask price. If the last trade price is within the bid/ask spread or if a bid/ask is not available, then the contract settles to the last trade price. If there is no last trade price available, then the prior settlement is compared to the current bid/ask. If the prior settlement is outside of the bid/ask spread, then the contract settles to the nearest bid/ask price. If the prior settlement is within the bid/ask spread or if a bid/ask is not available, then the contract settles to the prior settlement price.

The lead month shall be determined by the Exchange and is generally the most active month. The lead month shall change at the time when the daily electronically-executed volume and open interest in the contract month following the current lead month is greater than the daily volume and open interest in the lead month for two consecutive business days.

2. All non-lead months are deferred contract months and settle based upon the volume-weighted average of calendar spread transactions made in the closing period on MGEXpress®. If there are no relevant calendar spreads, bids and offers in those calendar spreads will be used in conjunction with settlements from any months where a settlement price has been determined to form an implied market in the contract to be settled. These implied markets, along with the outright bid/ask market for the contract, will be used to derive the best possible bid and best possible ask, and the contract will settle at the midpoint of the bid/ask spread.

3. Notwithstanding the above, if such settlement price is not consistent with the settlements in other months or with market information, or if the settlement was inaccurately determined, a new settlement price may be established at a level consistent with such other settlement prices or market information and a written record setting forth the basis for any modification of such settlement price shall be prepared.

B. Reservation.

The Exchange reserves the right to modify the settlement price prior to the start of the day's final clearing process if the settlement price arose from data entry errors made by or on behalf of the Exchange, and modification of the settlement price is necessary to prevent market distortion. A written record shall be prepared setting forth the basis for any modification. In addition, the Exchange reserves the right to change which contract month is the lead month when, in its discretion, doing so is in the best interest of the marketplace. If any such change to the lead month is made pursuant to this reservation, the Exchange shall provide notification to the public via the MGEX website or other means it deems effective.

2015.00. SETTLEMENT PREMIUMS.

Pursuant to the provisions of Rule 210.01., the Board of Directors has adopted this Regulation.

A. Open Outcry/MGEXpress® Contracts.

Promptly after the close of trading in each Options Contract, the Exchange shall compute settlement premiums as follows. The settlement premium shall be price consistent with the minimum fluctuations of the Contract.

1. Exchange staff shall review all trades executed during the closing period, and subsequent higher bids and lower offers that were in existence at the close of the market, to determine the closing premium or range for each Open Outcry Contract. The Exchange shall then determine the settlement premiums by using a theoretical pricing model.
2. If the Exchange believes, based on its review of the market and market conditions that the settlement premium established above is not representative of market conditions, or if the settlement premium was inaccurately determined, then Exchange staff may establish a settlement premium based on the settlement price of the underlying Futures Contract and the previously prevailing differentials:
 - a. among the premiums for the listed striking prices for the option month;
 - b. among the premiums for the different option months listed for trading; and
 - c. between the premium for the relevant striking price and the

price of the underlying Futures Contract.

3. In the case of HRSW Calendar Spread options, the Exchange may use current trade, bid, and offer information, along with correlation between underlying futures months or a theoretical option pricing model in determining daily settlement premiums for the listed Calendar Spread options.

B. Reservation.

The Exchange reserves the right to modify the settlement premium prior to the start of the day's final clearing process if the settlement premium arose from data entry errors made by or on behalf of the Exchange, and modification of the settlement premium is necessary to prevent market distortion. A written record shall be prepared setting forth the basis for any modification.

2016.00. FILLING ORDERS AND WITHHOLDING OR WITHDRAWING OF TRADES.

Pursuant to the provisions of **Rule 616.00.**, the Board of Directors adopted this Regulation.

- A. **Filling of Orders.** Orders to buy or sell Futures or Options must be executed sequentially by completely filling an order bearing an earlier time stamp before proceeding with the next earliest time-stamped order at the same price. Any and all verbal orders received must be, as a minimum, immediately documented as to time of receipt, and the order with the earliest time must be filled first.

In the event orders carry identical time stamps or lack time stamps and it is necessary to allocate trades among these accounts, a record of the accounts, the amount assigned to each account, and why it was necessary to make the assignment must be documented.

- B. **Withholding or Withdrawing Trades.** No Member or Market Participant shall withhold or withdraw from the market any order or part of an order for another Member or Market Participant for the convenience of another Member.

2017.00. RECORDING ORDERS.

Each Clearing Member or Member who receives an order from a customer, including a customer who is a Floor Trader or Floor Broker, which is not in the form of a written record showing the account identification, order number and the date and time, to the nearest minute such order was transmitted or received, or cannot immediately be entered into the Electronic Trading System, shall immediately upon receipt thereof prepare a written record of such order, including an account identification and order number and shall record thereon, by time-stamp, the date and time, to the nearest minute, the order is received. Further, all option orders reduced to writing must be time-stamped, to the nearest minute, upon transmittal to the options pit for execution, and upon execution.

2018.00. OPENING THE MARKET ON A SPREAD TRANSACTION.

In the event the first daily transaction in a Contract market by open outcry is a spread transaction, the price associated with the spread transaction shall be reported as the opening quote in this

Contract market. The opening price shall be reported at or within the current bid and offer.

However, if there is no bid or offer in effect, an announcement of the actual price shall be made in the Pit. Upon receiving no objections, the trade shall be reported and the transaction recorded as the opening trade.

2019.00. OFFICIAL REPRESENTATIVE TO OBSERVE THE EXECUTION OF BUYING AND SELLING ORDERS AT THE SAME PRICE.

Pursuant to the provisions of **Rule 742.00.**, the Board of Directors has adopted this Regulation:

The President is authorized to designate an employee of the Grain Exchange as the official representative of this Exchange to observe transactions where a Member shall have in hand at the same time both buying and selling orders from different principals for a like quantity of a commodity for Futures or Options in the same delivery month and who, in compliance with the provisions of **Rule 742.00.**, desires to execute such trades at the market price in the presence of such official representative.

In order to facilitate the handling of such orders the Member must notify the official representative of the Exchange of his desire to make these trades and present the orders and trading cards to the official representative upon execution of the trades. Upon observation and approval of the trades, the official representative will promptly stamp and sign the orders and trading cards.

The official representative shall also prepare a memorandum showing the date, executing Broker, month, commodity, option, strike price, price or premium, quantity, and the Clearing Member(s) and accounts involved.

This memorandum shall be time stamped, signed by the observer, and retained by the Exchange as a permanent record.

Any Broker seeking to match orders under **Rule 742.00.** must be diligent in openly bidding and offering the orders on hand before crossing them under the observation of the designated Exchange employee. To assure the fairness of such trades, all cross trades must be bid and offered by open outcry at least three (3) times before being matched.

2020.00. EXCHANGE FEE.

Pursuant to the provisions of **Rule 231.00.**, the Exchange has adopted this Regulation:

- A. The Exchange shall set Exchange fees from time to time and shall make such fees publicly available. The Exchange may elect to waive or modify fees.
- B. Payment of the Exchange fee will be due on receipt of invoice at the end of each month for the transactions (whether purchases, sales or deliveries) executed on the Exchange during that month. Payment is to be submitted to the Treasurer of the Corporation.

2023.00. STRIKING PRICES.

The Exchange shall set the procedure for introduction of striking prices and may modify the procedure as it deems appropriate in order to respond to market conditions, subject to the provisions of the Commodity Exchange Act and CFTC regulations promulgated thereunder.

A. **Spring Wheat.** Pursuant to the provisions of [Rule 1403.00.](#), the Board of Directors has adopted this Regulation.

1. Trading may be conducted for Options with striking price increments of five cents (\$0.05) and ten cents (\$0.10) per bushel. At the commencement of trading in an option class, the following striking prices shall be listed: the striking price closest to the previous day's settlement price on the underlying Spring Wheat Futures Contract and the next five (5) consecutive higher and five (5) consecutive lower in five cent (\$0.05) increments, and the next ten (10) consecutive higher and ten (10) consecutive lower in ten cent (\$0.10) increments. If the previous day's settlement price on the underlying Spring Wheat Futures Contract is midway between two (2) striking prices, the closest price shall be the larger of the two (2).

2088.00. REDUCTION OF CAPITAL.

Any Members with clearing and/or cash trading privileges, FCMs with customers trading MGEX Futures and Options contracts or any other entity required by the Exchange to provide financial information must immediately notify the Exchange of any material reduction of its adjusted net capital, working capital and/or its net worth, including the incurring of a contingent liability that would materially affect adjusted net capital, working capital and/or net worth should such liability become fixed. Such notice must be in writing and signed by an authorized representative. Failure to so notify the Exchange shall be considered an act detrimental to the interest and welfare of the Corporation.

Working capital, for the purpose of this Regulation, shall be defined as total current assets minus total current liabilities. In defining net worth for the purposes of this Regulation, owner's equity, whether shareholder's equity, partnership equity or other equity capital, shall be considered as well as equities and deficits in proprietary accounts which are properly included in determining net worth. FCMs and Guaranteed IBs requesting such a change must also submit written evidence that its designated self-regulatory organization has approved the change in its fiscal year.

A change in the fiscal year of a Person required by the Exchange to provide financial information will not relieve such Person from its obligation to file such timely certified and interim financial statements as deemed appropriate by the Exchange.
