1400.00. SCOPE OF CHAPTER.

This Chapter is limited in application to the trading of put and call options exercisable for Minneapolis Grain Exchange (Exchange) Wheat Futures Contracts. Procedures for trading, clearing and any other matters not specifically covered herein shall be governed by the Rules of the Exchange.

1401.00. UNIT OF TRADING.

The unit of trading shall be a put or call option exercisable for one (1) five thousand (5,000) bushel Minneapolis Grain Exchange Hard Red Spring Wheat Futures Contract.

1402.00. OPTIONS TRADING – HARD RED SPRING WHEAT.

- A. **Hours of Trading.** The Hours of Trading Options will be determined by the Board of Directors in accordance with MGEX Rule 2011.00.
- B. **Months Traded In.** Trading may be conducted in Options in the same months that are listed for trading in the Futures Contract (see MGEX Rule 715.00.). Additionally, trading may be conducted in Options in months that are not listed for trading in the Futures Contract. For Options that are traded in months which Futures are not traded, the underlying Futures Contract is the subsequent Futures Contract month that is nearest to the expiration of the Option. The Board of Directors shall determine the months available for trading, and may, at its discretion, restrict trading in any month should market conditions so warrant.
- C. **Last Trading Day.** The last trading day will be the Friday which precedes by at least two (2) business days, the last business day of the month preceding the Option month. If such Friday is not a business day, the last trading day will be the business day prior to such Friday.
- D. **Option Expiration.** The contractual rights and obligations arising from the Option Contract expire on the last day of trading.
- E. **Option Premium Price Basis.** The premium for Options will be in multiples of one-eighth of one cent (1/8) per bushel of a five thousand (5,000) bushel Futures Contract or six dollars and twenty-five cents (\$6.25) per contract. However, in the case of a cabinet trade, when both sides are closing transactions, the Option premium for open outcry may range from one dollar (\$1.00) to six dollars (\$6.00) in one dollar (\$1.00) increments per Option Contract, and the Option premium for electronic trading is one dollar (\$1.00) per Option Contract.

- F. **Position Limits.** Position limits for HRSW will be determined by the Exchange but will not be greater than the position limits for HRSW pursuant to Part 150 of CFTC Regulations. See MGEX Rule 2013.03.
- G. **Reportable Positions.** A position of twenty-five (25) or more put or call Options on this Exchange, long or short, in any one (1) month of the first two (2) nearby delivery months or a position of one hundred (100) or more put or call Options, long or short, in any one (1) month of the remaining delivery months will be reportable position level for wheat options on this Exchange. All such positions must be reported in a manner and form as designated by the Exchange and pursuant to MGEX Rule 1505.00.
- H. **Daily Price Limits.** Trading is prohibited in Options at a premium of more than the trading limit for the Futures Contract above and below the previous day's settlement premium for that Option. On the first (1st) day of trading, limits will be set from the lowest premium of the opening range.

1403.00. STRIKING PRICES.

The Board of Directors shall set the procedure for introduction of striking prices and may modify the procedure as it deems appropriate in order to respond to market conditions (see [Rule 2023.00.](#)), subject to the provisions of Section 5(a)(12) of the CEA and CFTC Regulations.

1404.00. OPTION EXERCISE.

The Buyer of a Spring Wheat futures option may exercise the option on any business day by giving notice of exercise to the Clearing House at such time as determined by the Exchange (see [Res. 2101.00. C.](#)) on such day.

The Exchange shall assign such notices of intent promptly and at random to a Clearing Member carrying a short position in the option series. Said Clearing Member shall in turn assign such notice to accounts with open short positions in a fair and non-preferential manner in accordance with written procedures. By the opening of the next trading session, in the case of a call option contract, the writer shall sell to the holder by book entry the underlying Futures Contract at the contracted striking price, or, in the case of a put options contract, the writer shall buy from the holder by book entry the underlying Futures Contract at the contracted striking price. Henceforth, the writer and the holder assume the rights and obligations associated with their respective positions in the underlying Futures Contract.

Notwithstanding the foregoing, an option holder may exercise an option contract prior to expiration:

- A. To correct errors or mistakes made in good faith;
- B. To take appropriate action as the result of unreconciled MGEX option transactions;
- C. In exceptional cases involving a customer's inability to communicate to the Clearing Member exercise instructions or the Clearing Member's inability to receive such instructions prior to such time identified in [Resolution 2101.00. C.](#) on the last day of trading.

1404.01. AUTOMATIC EXERCISE.

Notwithstanding the provisions of **Rule 1404.00.**, based upon the settlement price for Spring Wheat futures on the last day of trading for Spring Wheat options, the Exchange shall automatically exercise all in-the-money options unless notice to cancel automatic exercise is given to the Clearing House at such time identified in **Resolution 2101.00. C.**

- A. to correct errors or mistakes made in good faith;
- B. to take appropriate action as the result of unreconciled MGEX option transactions;
- C. In exceptional cases involving a customer's inability to communicate to the Market Participant exercise instructions or the Market Participant's inability to receive such instructions prior to such time as determined by the Exchange (see **Res. 2101.00. C.**) on the last day of trading.

- F. Floor Clerk permits shall not be transferable. The Exchange must be notified if a new permit is issued. If the registered Floor Clerk is unable to perform his or her duties for reasons of illness, absence from the city, or other cause deemed sufficient and proper by the Exchange, a substitute Floor Clerk may be approved by the Exchange upon proper application and a temporary permit will be issued.
- G. The license conferred by a Floor Clerk permit may be revoked at any time by the Exchange if the holder violates any of the provisions of this Rule or is guilty of any other improper conduct in the Exchange Room.
- H. Floor Clerks may communicate by telephone with their sponsors so long as they do not solicit or do business for their own account.
- I. Floor Clerks may not solicit business for their sponsors or for their own account from the Exchange Room.

- D. No visitor shall have access to the Exchange Room for more than three (3) days per month without the express approval of the Exchange.

2004.00. DECORUM AND DRESS WHILE IN THE EXCHANGE ROOM.

- C. Disorderly conduct, such as pushing or shoving, is prohibited.
- D. Vulgar or abusive language is prohibited.
- E. Any other conduct or activity determined to be detrimental to a professional and safe business environment is prohibited.

2004.01. EXCHANGE ROOM ENFORCEMENT.

The Exchange may issue a violation ticket to any Person following an infraction/violation of any MGEX Rule occurring in the Exchange Room. All violation tickets must be submitted to the Secretary of the Company promptly upon issuance. The Secretary of the Company shall thereafter immediately forward the completed violation ticket to the Department of Audits and Investigations. The Department of Audits and Investigations will give written notification to the violator of the infraction/violation and action taken, if any.

The notice shall inform the Person of the right to request a hearing before the Hearing Committee and the consequences of a failure to pay the fine if no hearing is requested. If a hearing is requested, the decision of the Hearing Committee shall be final.

Failure to request a hearing shall be deemed a consent to the action taken. Unless a hearing is requested within ten (10) calendar days, failure to pay a fine within thirty (30) days after the penalty is imposed shall automatically double the amount of the fine. If the increased fine is not paid

within sixty (60) days after the original fine was imposed, the Disciplinary Committee may, without hearing, revoke the badge or suspend the Person.

Persons will be responsible for fines given to their employee(s). Following is a schedule of penalties the Board of Directors has authorized the Department of Audits and Investigations or the Disciplinary Committee to issue:

First Violation:	Letter of Reprimand
Second Violation:	\$25.00 Fine
Third Violation:	\$100.00 Fine
Fourth Violation:	\$300.00 Fine
Fifth Violation:	\$500.00 Fine and/or One (1) Day Suspension

Each violation ticket written shall constitute a single violation and the number of violations accumulated will determine the action taken. If a Person is free of any violations for a period of two (2) years, the fine schedule will revert back to a first violation.

Any violation/infraction may be forwarded by the Department of Audits and Investigations to the Disciplinary Committee for further review or action. Additionally, nothing in this Rule shall prohibit further action from being taken against a Person for a violation of any other Rule.

2004.02. PENALTIES FOR BOISTEROUS OR DISORDERLY CONDUCT AND/OR OUTBURST OF VULGAR AND ABUSIVE LANGUAGE IN THE EXCHANGE ROOM.

Boisterous or disorderly conduct and/or outburst of vulgar and abusive language in the Exchange Room is strictly prohibited. Any Person or Exchange staff can file a complaint, in writing, with the Exchange.

The Department of Audits and Investigations shall open an investigation on the complaint. After an investigation, the Department of Audits and Investigations may forward the investigation to the Disciplinary Committee. After reviewing the investigation report, the Disciplinary Committee may issue a Notice of Charges to the Person, including the right to request a hearing before the Hearing Committee and the consequences of failure to pay any fine if no hearing is requested. The first infraction of this Rule involving physical contact or abusive or derogatory language is punishable by a monetary fine up to five hundred dollars (\$500.00). If a second infraction occurs within two (2) years of the first infraction, the penalty may include suspension up to a period of two (2) weeks and/or a monetary fine set by the Disciplinary Committee. Persons will be responsible for fines given to their employee(s).

2005.00. SUBSTITUTES.

An authorized individual's privilege of entering and transacting business in the Exchange Room during the Hours of Cash Trading may be transferred temporarily to a substitute by the issuance to such substitute of a substitute ticket as hereinafter provided, and not otherwise. Such privilege may be so transferred if, and during, the time that such authorized individual is temporarily unable to transact business in the Exchange Room because of illness, absence from the city or other cause deemed sufficient and proper by the Exchange.

It is not the intent of this Rule to enable any person by means of a substitute ticket to obtain the privilege of entering and transacting business in the Exchange Room during the Hours of Cash Trading for a considerable period of time unless he is substituting for various authorized individuals who are customarily active in the Exchange Room.

A substitute ticket shall not be issued to any person who has been expelled from this Exchange or who is under suspension, or to enable any person to act as a substitute for an authorized individual who is under suspension.

If a authorized individual for whom a substitute is acting shall appear in the Exchange Room during the Hours of Cash Trading, or if such authorized individual , except in cases of substitution under the provisions of this Rule, or in special circumstances, shall appear with regularity in MGEX buildings, such appearance shall be cause for cancellation of the substitute ticket.

In case of any dispute over the propriety of issuing, renewing or cancelling a substitute ticket, such dispute shall be settled by the Exchange.

2005.01. SUBSTITUTE TICKETS: ISSUANCE OF.

Substitute tickets shall be issued or renewed by the Exchange upon application. Such tickets or renewals shall be for not more than thirty (30) days and may be cancelled at any time.

2005.02. SUBSTITUTE TICKETS: APPLICATION FOR.

Applications for substitute tickets shall show the authorized individual for whom substitution is requested and shall be signed by the substitute and by the authorized individual for whom the substitute is authorized to make trades. The substitute and such authorized individual shall, respectively, be subject to the same restrictions, obligations and liabilities including penalties for the violation of MGEX Rules with respect to any and all trades, transactions or other acts of the substitute while such ticket is outstanding.

The Exchange may cancel or suspend cash trading privileges of any Person: :

- A. Upon the written request of the Person with cash trading privileges or entity having cash trading privileges;
- B. Upon the termination of the legal existence of the Person with cash trading privileges;
- C. Whenever the Exchange determines that any Person with cash trading privileges has failed within a reasonable time to comply with any MGEX Rules, any terms and conditions set forth in the Application for Cash Trading Privileges, or any order of the Exchange; or whenever the Exchange shall determine that such Person with cash trading privileges does not have adequate financial responsibility to insure the reasonable safety of his or its creditors and the prompt discharge by him or it of all liabilities and obligations incurred in connection with transactions made or likely to be made by him or it.

If the cash trading privileges of any Person shall have been cancelled or suspended, such Person may make application for restoration of cash trading privileges; and the Exchange may restore

cash trading privileges to such Person whenever the Exchange shall determine that he or it has adequate financial responsibility and has complied with all of the provisions of [Rules 2006.00., 2006.01., and 2006.02.](#) and all orders of the Exchange issued thereunder.

The determinations and actions of the Exchange under the authority granted by this Rule shall be final and binding.

2. entering orders with the intent to cancel the bid or offer before execution, or modifying the order to avoid execution; and

2008.00. ADJUSTMENT OF TRADE PRICES AND CANCELLATION OF TRADES.

The Exchange has the authority to adjust trade prices and cancel trades when necessary to mitigate market disrupting events including, but not limited to, those caused by malfunctions in its electronic trading platform or errors in orders submitted by any Market Participant. Any trade price adjustment or trade cancellation shall be publicly disclosed.

2010.00. FUTURES AND OPTIONS MONTHS PRESCRIBED.

- A. Trading in Spring Wheat Futures shall be permitted in the current delivery month plus any month in the March, May, July, September, December delivery cycle which falls within the next succeeding twenty-three (23) months. The next delivery month in the sequence shall replace the expiring delivery month as of the close of business on the last business day of the expiring delivery month. conflicts with other superseding Rules, or unless otherwise determined by the Exchange.

2013.03. POSITION LIMITS FOR HARD RED SPRING WHEAT.

A. **Applicability.** MGEX Rules 2013.03., 2013.04., 2013.05., and 1402.00. will govern position limits for HRSW.

B. **Limits.** Position limits for HRSW will be determined by the Exchange but will not be greater than the position limits for HRSW pursuant to Part 150 of CFTC Regulations.

No Market Participant may hold or control in excess of one thousand two-hundred (1,200) HRSW contracts net long or short in the spot month; twelve thousand (12,000) HRSW contracts net long or short in any single month; or twelve thousand (12,000) HRSW contracts net long or short in all contract months combined on a net futures-equivalent basis.

For the purposes of this Rule, the spot month is defined as beginning at the close of the trade day preceding first notice day.

C. **Compliance.** No Market Participant may exceed the limits at any time during the trade day. Positions in excess of the limits will be presumed to be a violation. The Exchange may direct any Market Participant owning, holding, controlling, or carrying a position for another Market Participant in excess of the limits set forth in this Rule to liquidate or reduce

its position to comply with this Rule. Market Participants exceeding federal position limits for futures-equivalent positions as a result of either 1) an Options assignment; or 2) movement in that day's closing price of HRSW Futures that increases the Options positions using delta equivalent values, will be allowed one (1) business day to liquidate the excess position without being considered in violation of the limits.

- D. **Enforcement.** The Market Participant owning, holding, controlling, or carrying a position (as well as the account holder, FCM, or Clearing Member as the case may be) shall maintain adequate books and records that disclose the identity of and positions held by any Market Participant. Such books and records must be made available to the Exchange upon request. The Market Participant owning, holding, controlling, or carrying a position (as well as the account holder, FCM, and Clearing Member) may be held accountable for any violation of the limits. The Department of Audits and Investigations may take enforcement action against any or all of the parties, whether or not each had actual knowledge of the position or a violation.

2013.04. EXEMPTIONS FROM POSITION LIMITS FOR HARD RED SPRING WHEAT.

A Market Participant intending to exceed position limits for HRSW, including to exceed a position established pursuant to a previously approved exemption, must file, in good faith, a complete and accurate Position Limit Exemption Request Form, available through the Exchange, for exemption and receive approval from the Department of Audits and Investigations prior to exceeding such limits. In order to obtain an exemption from position limits, a Market Participant must provide the following:

- A. a description of the exemption sought, including whether the exemption is for *bona fide* hedging transactions or positions as defined in CFTC Regulation 150.1, and whether the exemption is for enumerated or non-enumerated hedging transactions or positions, or spread transactions as described in CFTC Regulation 150.3;
- B. a complete and accurate explanation of the underlying exposure and strategy related to the exemption request;
- C. a statement indicating whether the Market Participant on whose behalf the request is made (i) maintains positions in the HRSW contract for which the exemption is sought with any other account holder or owner, and/or (ii) has made a previous or contemporaneous request pursuant to the Rule through another Market Participant, and if so, the relationship of the information set forth in such requests;
- D. a statement that the Market Participant will immediately supply the Exchange with any material changes to the information submitted pursuant to this Rule;
- E. a statement that the Market Participant will comply with all Exchange rules, and the conditions or limitations imposed by the Department of Audits and Investigations with respect to the exemption;
- F. such further information as the Exchange may request, including the daily, weekly, or periodic filing of any documents or reports; and

- G. a statement documenting policies and procedures currently implemented to monitor and ensure compliance with MGEX Rules related to position limits and exempted levels.

The Department of Audits and Investigations may approve, deny, condition, or limit any exemption request based on factors deemed to be relevant in accordance with sound commercial practices, including, but not limited to, the Market Participant's business needs and financial status, as well as whether the positions can be established and liquidated in an orderly manner given characteristics of the market for which the exemption is sought.

The Department of Audits and Investigations will notify the Market Participant the exemption has been granted on all or specified portion of such transaction or position, and any limitations placed on the exemption, within five (5) business days of receiving a written request for exemption. An exemption will remain in effect until (i) the Market Participant on whose behalf the request is made requests a withdrawal; (ii) the Exchange revokes, modifies, or places further limitations on the exemption; (iii) the exemption expires; or (iv) the CFTC determines otherwise.

A Market Participant who establishes a *bona fide* hedging position in excess of position limits due to demonstrated sudden and unforeseen increases in its *bona fide* hedging needs and files the required application with the Department of Audits and Investigations will not be in violation of this rule provided the filing occurs within five (5) business days after assuming the position and the application includes an explanation of the circumstances warranting the sudden or unforeseen increases in *bona fide* hedging needs. If the positions in excess of the limits are not exemption-eligible, the Market Participant and Clearing Member will be in violation of speculative limits for the period of time in which the excess positions remained open and must reduce their positions at or below the positions limits within one (1) business day of being informed that the positions are not eligible for an exemption.

Any Market Participant who avails themselves of an exemption must keep and maintain complete books and records concerning the details of the exemption, including information required to be kept by CFTC Regulation 150.3(d). A Market Participant who has received written authorization from the Department of Audits and Investigations to exceed position limits must file, at least annually, an updated application no later than one year following the approval date of the most recent application. A Market Participant must renew an application if there are any material changes to the information provided on the application. Failure to file an updated application will result in expiration of the exemption.

Nothing in this Rule will in any way limit (i) the authority of the Exchange to take emergency action; or (ii) the authority of the Department of Audits and Investigations to review at any time the positions held or controlled by any Market Participant and to direct that such position be reduced to the position limits in Rule 2013.03.B. The Exchange will also use CFTC Part 150 as a guide when assessing the exemption request but will not be limited by it.

2013.05. AGGREGATION OF POSITIONS FOR HARD RED SPRING WHEAT.

In determining whether any Market Participant has exceeded the position limits for HRSW, all positions in accounts for which such Market Participant, by power of attorney or otherwise, directly or indirectly controls trading or holds a ten percent (10%) or greater ownership or equity interest will be included with the positions held by such Market Participant. Such limits upon positions will apply to positions held by two (2) or more Market Participants acting pursuant to an expressed or implied agreement or understanding, the same as if the positions were held by a single Market Participant. Market Participants may be eligible for an exemption from aggregation under CFTC Regulation 150.4(b). Any Market Participant seeking an exemption must follow procedures listed

in CFTC Regulation 150.4(c). Market Participants must notify the Department of Audits and Investigations of all CFTC approvals.

The Exchange will follow the CFTC definition of aggregation, the procedures for aggregating positions, and exemptions from aggregation as described in CFTC Part 150, including CFTC Regulations 150.4(a), 150.4(b), and 150.4(c), or elsewhere as applicable.

2013.06. REPORTABLE POSITIONS FOR HARD RED SPRING WHEAT FUTURES.

The reportable position level will be a position of one hundred and fifty (150) or more HRSW futures on this Exchange, long or short, in any one (1) month. All such positions must be reported in a manner and form as designated by the CFTC or the Exchange.

2014.00. SETTLEMENT PRICES.

A. Electronic Trading System Contracts.

Promptly after the close of the trading session in each Futures Contract, the Exchange shall ensure that settlement prices are calculated for each contract month as follows. The settlement price shall be price consistent with the minimum fluctuations of the contract.

1. The settlement price for the lead month, as defined below, shall be determined by the volume-weighted average of outright trades and applicable bids and offers made in the closing period on the Electronic Trading System. If there is no volume-weighted average of the outright, then the last trade price is compared to the current bid/ask. If the last trade price is outside of the bid/ask spread, then the contract settles to the nearest bid/ask price. If the last trade price is within the bid/ask spread or if a bid/ask is not available, then the contract settles to the last trade price. If there is no last trade price available, then the prior settlement is compared to the current bid/ask. If the prior settlement is outside of the bid/ask spread, then the contract settles to the nearest bid/ask price. If the prior settlement is within the bid/ask spread or if a bid/ask is not available, then the contract settles to the prior settlement price.

The lead month shall be determined by the Exchange and is generally the most active month. The lead month shall change at the time when the daily electronically-executed volume and open interest in the contract month following the current lead month is greater than the daily volume and open interest in the lead month for two consecutive business days.

2. All non-lead months are deferred contract months and settle based upon the volume-weighted average of calendar spread transactions made in the closing period on the Electronic Trading System. If there are no relevant calendar spreads, bids and offers in those calendar spreads will be used in conjunction with settlements from any months where a settlement price has been determined to form an implied market in the contract to be settled. These implied markets, along with the outright bid/ask market for the contract, will be used to derive the best possible bid and best possible ask, and the contract will settle at the midpoint of the bid/ask spread.

3. Notwithstanding the above, if such settlement price is not consistent with the settlements in other months or with market information, or if the settlement was inaccurately determined, a new settlement price may be established at a level consistent with such other settlement prices or market information and a written record setting forth the basis for any modification of such settlement price shall be prepared.

B. Reservation.

The Exchange reserves the right to modify the settlement price prior to the start of the day's final clearing process if the settlement price arose from data entry errors made by or on behalf of the Exchange, and modification of the settlement price is necessary to prevent market distortion. A written record shall be prepared setting forth the basis for any modification. In addition, the Exchange reserves the right to change which contract month is the lead month when, in its discretion, doing so is in the best interest of the marketplace. If any such change to the lead month is made pursuant to this reservation, the Exchange shall provide notification to the public via the MGEX website or other means it deems effective.

2015.00. SETTLEMENT PREMIUMS.

A. Open Outcry/Electronic Trading System Contracts.

Promptly after the close of trading in each Options Contract, the Exchange shall compute settlement premiums as follows. The settlement premium shall be price consistent with the minimum fluctuations of the Contract.

1. Exchange staff shall review all trades executed during the closing period, and subsequent higher bids and lower offers that were in existence at the close of the market, to determine the closing premium or range for each Open Outcry Contract. The Exchange shall then determine the settlement premiums by using a theoretical pricing model.
2. If the Exchange believes, based on its review of the market and market conditions that the settlement premium established above is not representative of market conditions, or if the settlement premium was inaccurately determined, then Exchange staff may establish a settlement premium based on the settlement price of the underlying Futures Contract and the previously prevailing differentials:
 - a. among the premiums for the listed striking prices for the option month;
 - b. among the premiums for the different option months listed for trading; and
 - c. between the premium for the relevant striking price and the price of the underlying Futures Contract.
3. In the case of HRSW Calendar Spread options, the Exchange may use current trade, bid, and offer information, along with correlation between underlying futures months or a theoretical option pricing model in determining daily

settlement premiums for the listed Calendar Spread options.

B. Reservation.

The Exchange reserves the right to modify the settlement premium prior to the start of the day's final clearing process if the settlement premium arose from data entry errors made by or on behalf of the Exchange, and modification of the settlement premium is necessary to prevent market distortion. A written record shall be prepared setting forth the basis for any modification.

2016.00. FILLING ORDERS AND WITHHOLDING OR WITHDRAWING OF TRADES.

- A. **Filling of Orders.** Orders to buy or sell Futures or Options must be executed sequentially by completely filling an order bearing an earlier time stamp before proceeding with the next earliest time-stamped order at the same price. Any and all verbal orders received must be, as a minimum, immediately documented as to time of receipt, and the order with the earliest time must be filled first.

In the event orders carry identical time stamps or lack time stamps and it is necessary to allocate trades among these accounts, a record of the accounts, the amount assigned to each account, and why it was necessary to make the assignment must be documented.

- B. **Withholding or Withdrawing Trades.** No Market Participant shall withhold or withdraw from the market any order or part of an order for another Market Participant for the convenience of another Market Participant.

2018.00. OPENING THE MARKET ON A SPREAD TRANSACTION.

In the event the first daily transaction in a Contract market by open outcry is a spread transaction, the price associated with the spread transaction shall be reported as the opening quote in this Contract market. The opening price shall be reported at or within the current bid and offer.

However, if there is no bid or offer in effect, an announcement of the actual price shall be made in the Pit. Upon receiving no objections, the trade shall be reported and the transaction recorded as the opening trade.

2019.00. OFFICIAL REPRESENTATIVE TO OBSERVE THE EXECUTION OF BUYING AND SELLING ORDERS AT THE SAME PRICE.

The President is authorized to designate an employee of the Grain Exchange as the official representative of this Exchange to observe transactions where a Market Participant shall have in hand at the same time both buying and selling orders from different principals for a like quantity of a commodity for Futures or Options in the same delivery month and who, in compliance with the provisions of **Rule 742.00.**, desires to execute such trades at the market price in the presence of such official representative.

In order to facilitate the handling of such orders the Market Participant must notify the official representative of the Exchange of his desire to make these trades and present the orders and trading cards to the official representative upon execution of the trades. Upon observation and approval of the trades, the official representative will promptly stamp and sign the orders and trading cards.

The official representative shall also prepare a memorandum showing the date, executing Broker, month, commodity, option, strike price, price or premium, quantity, and the Clearing Member(s) and accounts involved.

This memorandum shall be time stamped, signed by the observer, and retained by the Exchange as a permanent record.

Any Broker seeking to match orders under **Rule 742.00**, must be diligent in openly bidding and offering the orders on hand before crossing them under the observation of the designated Exchange employee. To assure the fairness of such trades, all cross trades must be bid and offered by open outcry at least three (3) times before being matched.
